# AWANA 2020-2021 WINTER/SPRING

All of the children have done a great job this first half of Awana, and we are looking forward to the New Year!

We are committed to the safety of all of our families, and will continue with all of our protocols to minimize risk while at Awana. Due to the increase of Covid cases among children we will be implementing a new mask policy. Children ages 3 and up will be required to wear a mask while inside the building. This new policy is for the protection of not only children, but those they come in contact with. We are confident that we can keep the priority of in-person worship and discipleship while we continue to monitor numbers and make any adjustments to our policies. We will continue to communicate these changes through email and through our website.

Thank you for your flexibility and support during this time

Just a reminder, each week, kids should....

Wear their uniforms and gym shoes, bring their handbooks and Bibles, be prepared to share the verse they worked on during the week, participate in any special theme nights, and come with a great attitude!

### **Have a Blessed and Merry Christmas!**

Sara Piwowarski Awana Director (708)800-4409

- Jan 20th Wear your favorite team's jersey
- Feb 10th Wear red & pink
- Mar 3rd Dress like a Super Hero
- March 17th Wear green

#### **Health Safety**

- At this time everyone ages 3 and up will be required to wear a mask while in the building.
- If anyone in your household is diagnosed with Covid-19 we ask that your child stay home for 14 days.
- If your child or anyone in your household has had flu-like symptoms in the last 7 days please keep your child at home.
- Our building will be sanitized before and after your child participates in Awana. We will do our best to keep children socially distanced but cannot guarantee they won't come in contact with one another.
